# ALTON TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Alton, in the County of Belknap in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the eleventh day of March next, at nine o'clock in the forenoon to act upon the following articles.

**ARTICLE 1.** To choose all necessary Town Officers for the ensuing year and to elect one Selectman for three years, one Auditor for two years, one Trustee of Trust Funds for three years, one Library Trustee for three years, one Road Agent for one year, three Budget Committee members for three years, two Planning Board members for three years, two Planning Board members for two years, two Planning Board members for one year, one Supervisor of the Checklist for six years, one Moderator for two years, one Water Commissioner for three years, one Fire Ward for three years, and one Constable for one year.

And you are hereby further notified to meet at said Alton Memorial School Gymnasium on Wednesday, the twelfth (12th) day of March, next at seven thirty o'clock in the evening to act upon the following articles:

**ARTICLE 2.** To see what sum of money the Town will vote to raise and appropriate to pay all necessary charges of the Town for the ensuing year.

**ARTICLE 3.** To see if the Town will vote to raise and appropriate the sum of \$16,200.00 for the purchase of Tarvia and the application of the same.

**ARTICLE 4.** To see what sum of money the Town will vote to raise and appropriate for the repairs of highways and bridges for the ensuing year in addition to that required by law.

**ARTICLE 5.** To see what sum of money the Town will vote to raise and appropriate for the removal of snow from the Town highways for the ensuing year.

**ARTICLE 6.** To see if the Town will vote to raise and appropriate the sum of \$12,500.00 to rebuild and resurface with Tarvia the Town gravel roads, so called, this sum to be raised by taxation.

**ARTICLE 7.** To see if the Town will vote to raise and appropriate the sum of \$1,703.18 provided the State will contribute the sum of \$11,354.51 for Class V roads so called.

**ARTICLE 8.** To see if the Town will vote to authorize the Selectmen to borrow monies in anticipation of taxes.

**ARTICLE 9.** To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Public Library.

**ARTICLE 10.** To see what sum of money the Town will vote to raise and appropriate for the decoration of Soldiers' graves.

**ARTICLE 11.** To see what sum of money the Town will vote to raise and appropriate for patriotic exercises on Independence Day.

**ARTICLE 12.** To see what sum of money the Town will vote to raise and appropriate for Parks and Playgrounds, including band concerts.

**ARTICLE 13.** To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the care of trees.

**ARTICLE 14.** To see if the Town will vote to raise and appropriate the sum of \$100.00 for Civil Defense.

**ARTICLE 15.** To see if the Town will vote to raise and appropriate the sum of \$2,400.00 to the Alton-Alton Bay Chamber of Commerce for the purpose of promoting the natural advantages and resources of the Town. (By request)

**ARTICLE 16.** To see if the Town will vote to raise and appropriate the sum of \$33,924.00 for the maintenance and operation of our new landfill.

**ARTICLE 17.** To see if the Town will vote to raise and appropriate the sum of \$2,757.00 for the support of the Lakes Region Planning Commission.

**ARTICLE 18.** To see if the Town will vote to raise and appropriate the sum of \$450.00 for the support of the Town stray animals. (By request)

**ARTICLE 19.** To see if the Town will vote to authorize the Selectmen to sell any property acquired by Tax Title.

**ARTICLE 20.** To see if the Town will vote to authorize the withdrawal from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use as a set-off against budget appropriations in the amounts indicated and further to authorize the Selectmen to make pro-rata reductions in the amounts if estimate entitlements are reduced or any other action taken hereon:

Police Cruiser (large)	\$ 7,000.00
Police Cruiser (small)	5,500.00
Crawler Loader	10,000.00
Police Equipment	4,000.00
Fire Truck Reserve	10,000.00
Snow Plow	2,264.00
New 1 Ton Truck	13,000.00
Sander	2,300.00
Fire Dept. Radios	<u>5,100.00</u>
Large	\$53,664.00
Small	\$52,164.00

**ARTICLE 21.** To see if the Town will vote to approve monies in the amount of \$ \_\_\_\_\_ already expended from the Municipal Improvement Fund. Said monies were expended to employ Town unemployed on Town projects during the period of time January 1, 1980 to March 11, 1980.

**ARTICLE 22.** To see if the Town will vote to appropriate the sum of \$7,000.00 or \$5,500.00 for the purchase of a Police Cruiser and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

**ARTICLE 23.** To see if the Town will vote to appropriate the sum of \$10,000.00 for the purchase of a Crawler Loader and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

**ARTICLE 24.** To see if the Town will vote to appropriate the sum of \$4,000.00 for the purchase of Police Equipment and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

**ARTICLE 25.** To see if the Town will vote to appropriate the sum of \$10,000.00 to be placed in Fire Truck Reserve for the purchase of a new fire truck and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

**ARTICLE 26.** To see if the Town will vote to appropriate the sum of \$2,264.00 for the purchase of a Snow Plow and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

**ARTICLE 27.** To see if the Town will vote to appropriate the sum of \$13,000.00 for the purchase of a new 1-Ton Truck and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

**ARTICLE 28.** To see if the Town will vote to appropriate the sum of \$2,300.00 for the purchase of a Sander and authorize the withdrawal of this amount from the Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

**ARTICLE 29.** To see if the Town will vote to appropriate the sum of \$5,100.00 for the purchase of Fire Department Radios and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

**ARTICLE 30.** To see if the Town will raise and appropriate the sum of \$10,500.00 to pay the salary of an Administrative Assistant for seven months.

**ARTICLE 31.** To see if the Town will vote to increase the salary of the Town Clerk from \$5,200.00 to \$5,650.00 per year.

**ARTICLE 32.** To see if the Town will vote to increase the salary of the Tax Collector from \$5,200.00 to \$5,650.00 per year.

**ARTICLE 33.** To see if the Town will vote to increase the salary of the Town Treasurer from \$1,000.00 to \$1,250.00 per year.

**ARTICLE 34.** To see if the Town will vote to authorize prepayment of property taxes and to authorize the Tax Collector to accept payments in prepayment of property taxes as provided by RSA 80:52-a.

**ARTICLE 35.** To see if the Town will vote to authorize prepayment of resident taxes and to authorize the Tax Collector to accept prepayments as provided by RSA 80:1-a.

**ARTICLE 36.** To see if the Town will vote to raise and appropriate the sum of \$1,157.63 to the Lakes Regions Association for the purpose of publicizing and promoting the natural advantages, as well as the preservation of the natural resources of the Town in cooperation with other Towns in the Lakes Regions. (By request)

**ARTICLE 37.** To see if the Town will vote to raise and appropriate the sum of \$2,100.00 for the Town's share in support of the Public Health Nursing Association. (By request)

**ARTICLE 38.** To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Town's share in support of the homemaker services of the Lakes Region Community Health Agency Inc. (By request)

**ARTICLE 39.** To see if the Town will vote to raise and appropriate the sum of \$1,785.60 for the continuation of the services to the low income and elderly residents of the Town of Alton, through the Laconia Area Center of the Community Action Program—Belknap/Merrimack Counties Inc. (By request)

**ARTICLE 40.** To see if the Town will vote to appropriate the sum of \$39,441.73 of Highway Subsidy Funds to be expended on Town roads in accordance with RSA 241, Section 14 — \$21,797.02 and RSA 241, Section 15 — \$17,644.71.

**ARTICLE 41.** To see if the Town will vote to authorize the Planning Board to review and approve or disapprove Site Plans for development of tracts for non-residential uses, or for multi-family

dwellings as provided in RSA 36:19-a. If the article is adopted, it shall further be the duty of the Town Clerk to issue all certificates of failure when the Town Planning Board shall fail to take action as provided in RSA 36:23. (By petition)

**ARTICLE 42.** To see if the Town will authorize the Board of Selectmen to apply for, accept, and expend Federal Funding under the Non-Metropolitan Discretionary Community Development Program.

**ARTICLE 43.** To see if the Town will raise and appropriate the sum of \$1,050.00 to be spent for the preservation and protection of old town records.

**ARTICLE 44.** To see if the Town will vote to instruct the Conservation Commission to transfer the deed of railroad property, identified on the Town Tax Map as Lot 7, Map 54, to the Town of Alton.

**ARTICLE 45.** To see if the Town will vote to sell a portion of the former Boston & Maine Railroad right-of-way to Harry A. and Jeanette G. Wells, who own land identified on the Town Tax Map as Lot 8, Map 54, and the portion to be sold is that portion which extends through the existing Wells Cottage lot, subject however, to any access rights of the Town to Mt. Major Park by the existing access road. (By request)

**ARTICLE 46.** To see if the Town will vote to sell land, formerly the right-of-way of the Boston & Maine Railroad, shown on the Town Tax Map as Lot 39, Map 29. (By petition)

**ARTICLE 47.** To see if the Town will vote to raise and appropriate the sum of \$2,800.00 for a complete audit of the Town of Alton's records.

**ARTICLE 48.** To see if the Town will vote to authorize the Selectmen to sell Lot 72, Tax Map 29 (to the abutters) being part of for the former Boston & Maine Railroad property. (By petition)

**ARTICLE 49.** To see if the Town of Alton will vote to raise and appropriate the sum of \$500.00 for the Center of Hope, Inc. (By petition)

**ARTICLE 50.** To see if the Town will vote to authorize the Selectmen to transfer the Old Public Works Building and land to the Alton School District.

**ARTICLE 51.** To see if the Town of Alton will vote to raise and appropriate the sum of \$1,500.00 for the purchase of two (2) lots of land bordering Depot Street, Map 27, Lot 38-.2 acres (\$900.00) and Map 27, Lot 40-.8 acres (\$600.00). (By request)

**ARTICLE 52.** To see if the Town will vote to designate Chestnut Cove Road, so called, a scenic road pursuant to RSA 253:17.  
( By petition)

**ARTICLE 53.** To see if the Town will vote to legalize the action taken by the Board of Selectmen in the sale of a lot of land to Francis McGrath.

**ARTICLE 54.** To see if the Town will vote to discontinue that unused portion of the Wolfeboro Road in front of the Marguerite Chamberlain property and dispose of its interests between the center-line of the roadway herein discontinued and the easterly sideline of the present Wolfeboro Road.

**ARTICLE 55.** To see if the Town will authorize the Selectmen to dispose of the Town's interest in the discontinued section of Woodlands Road at Route 11-D, said area to become part of Lot 9-1 on Tax Map 58.

**ARTICLE 56.** To see if the Town will vote for a discontinuance of the easement for the old right-of-way for the Forrest Rollins Road.

**ARTICLE 57.** To see if the Town will vote to install area lights at the entrances of Black Point, Derby Side and Trask Roads.  
(By request)

**ARTICLE 58.** To see if the Town will vote to install two (2) street lights on Pearson Road for their protection and protection of their property. (By petition)

**ARTICLE 59.** To see if the Town will vote to take the sense of the qualified voters whether the amendments to the Constitution proposed by the 1974 Constitutional Convention shall be approved.

**ARTICLE 60.** To see if the Town will vote to reconsider the action taken on Article 34 of the March 6, 1973 Town Meeting.

**ARTICLE 61.** To hear reports of Agents, auditors, committees or officers hereinbefore mentioned chosen and to pass any vote relative thereto.

**ARTICLE 62..** To transact any other business that may legally come before this said meeting.

Given under our hands and seal this twenty-second day of February 1980.

ROBERT D. SEDERQUIST, SR.  
FREDERICK M. PERKINS  
ALBERT E. BARNES  
Selectmen of Alton, New Hampshire

A true copy of Warrant — Attest

## ALTON POLICE DEPARTMENT REPORT

To the Citizens of the Town of Alton:

The Alton Police Department has had a very active year with much activity and many changes in personnel. Only two officers who were on the force as fulltime officers January 1, 1979 are still with the department.

The Police Department is quite proud of the fact that even though most of the officers are new, we have had good success in solving many of the crimes reported to this department over the past year. This includes the solving this Fall of ten burglaries resulting in the arrest of five individuals in one case. We have also solved several other burglaries and the apprehension of the perpetrators through long hours of investigation. Many of the investigations have required the officers to work many overtime hours, and at times on their off-duty time.

A great part of the year the Alton Police Department has been understaffed due to officers leaving the department for various reasons, officers being sick or injured and officers being away at schools for long periods of time. In the past year we have had one officer complete the eight week New Hampshire Recruit Training Academy and at present we have another officer attending this academy. During this past year we have had officers away for one to two weeks school in fields such as firearms instruction, first line supervision and officer survival. We plan on continuing this type of training which is valuable to both the town and the officers.

The department is fortunate to have a group of highly dedicated and helpful special officers who have filled in this year during periods that the department has been shorthanded. These special officers donate many hours to help out in emergency situations and special details, besides the times they are paid. This past spring, five special officers attended a sixteen session special officers school in Laconia, New Hampshire.

This year, for the first time, the department took on a "Christmas Toy Fund" project. Through the efforts of the department personnel and the help of many residents who gave toys and gifts and helped wrap presents, the Alton Police Department was able to make a much brighter and happier Christmas for thirty-nine children in the Town of Alton. This is a project that we decided on around the first of December and were truly amazed at the generous attitude of the people in town on such a short notice. We hope to continue this project in the future.

Patrolman Gene Beaudry this year started a Youth Action Program for the students of Alton High School. This project was conducted by Patrolman Beaudry entirely on his own off-duty hours.

At this time I would like to thank the citizens of the Town of Alton for their support of the Police Department and for their assistance in reporting to us suspicious vehicles and activities around their neighborhoods. Having people in a town who care for and about their neighbors and their property is a tremendous asset to the Police Department.

I would also like to thank the Belknap County Sheriff's Department, the New Hampshire State Police, New Hampshire Fish & Game Department, the Wolfeboro, New Durham and Barnstead Police Departments, all other police agencies in the area, the Alton Fire Department and Police Department over the past year.

The Alton Police Department would also like to offer a special thanks to Judge Archie A. Horne of the Alton Municipal Court who is retiring this year after twenty years as the Judge of the Alton Court. Judge Horne has been a valuable asset to the Town of Alton over the years and will be missed by members of the Alton Police Department, who may not have always agreed with the Judge's decisions, but are thankful that he always took the time to administer justice fairly and the time to explain the laws and his decisions to the officers.

ALAN D. STEWART, Lieutenant  
Alton Police Department

## REPORT OF THE TOWN ENGINEER

The economy, based on building construction in the Town of Alton, looks bleak when compared to last year. Statistically we fall right into line with the negativism of the news media. Compare 1979 with the last five years however and it's a different story.

Year	Permits issued for houses	Average Cost per house	Total No. of permits	Total Value for year
1975	23	\$20,175.00	188	\$ 906,367.00
1976	27	21,500.00	155	1,058,000.00
1977	24	27,200.00	195	1,334,095.00
1978	60	29,000.00	226	2,626,831.00
1979	40	31,525.00	196	1,888,421.00

The impact of high interest rates is having its initial effect and thus the slow down. With the approximately 80 Water Supply and Pollution Control Commission approvals for systems to be constructed, that are on file at the present time, the 79 figures would have been fairly close to the 78 figures, had the interest rates moderated.

The total number of housing units, noted in the 1970 U. S. Census of Population and Housing, was 1879 units. The last five year period indicates a 10% increase in this figure. Alton is growing and with its growth, changing.

With the course of waste disposal settled for the present time, we should get back to the important items that can give direction to the growth and the changes that growth brings. These would include; up dating the comprehensive or master plan, surveying and protecting the water shed around the Coffin Brook to secure an adequate supply of drinking water for the future, move on certain housing facilities particularly for the elderly, look into the acquisition of land for town beaches, just for starters.

There were also 89 permits issued for wells and for the construction of and alterations to disposal systems. This program is receiving increasing support that can only benefit the community as a whole as well as the particular home owner.

Several complaints were received on the municipal water system and after several tests were conducted, although the water quality was within minimum standards, the water department took one well off of the system for corrective work. Both wells are again in use and services back to normal.

The survey of the status of town roads and official naming was completed this past year. With this taken care of, the various town maps can be standardized and street name signs installed.

Other projects outlined for this coming year include the completion

of the laying out of Alton Drive, Smith Point Road, the extension of Woodlands Road, returning the layout on a number of roads, some expansion of the water department system that is being proposed and starting the planning programs listed above.

Respectfully submitted,

G. RICHARD KELLER  
Town Engineer

## ALTON VOLUNTEER AMBULANCE SERVICE 1980

The Alton Volunteer Ambulance Service answered 143 calls in the year 1979. Our log shows that 15 were for motor vehicle accidents, 17 were for transporting people who were not able to be transported in cars and 111 were for medical emergencies.

The money received from the Town of Alton went to purchase gas, oil, snow tires and supplies that were used during the year.

Our members have all reviewed their cardiopulmonary resuscitation course which now is a yearly requirement and in 1980 they will review their Advanced First Aid course which is required every three years. This means that each member will donate another 30 hours of their time for training.

We thank our many friends for their donations and for the many notes they have sent us during the year.

Respectfully submitted,

LEO A. MACDONALD  
President  
Alton Volunteer Ambulance Service

# LAKES REGION PLANNING COMMISSION

## ANNUAL REPORT

The Lakes Region Planning Commission is an organization composed of and supported by the member communities, which provides planning-related services to the cities and towns and to the region itself. These services range from assistance to local planning boards boards of selectmen, conservation commissions, and private citizens; planning for those concerns that extend beyond the boundaries of a single community; and coordination of activities and projects that involve groups of municipalities within the region. Alton was one of the original members of the commission when it was formed in the early 1970's. Over the years the town has benefited from resource maps prepared by the commission outlining natural characteristics of Alton, and from the research made available through the 208 study of the quality of the region's lakes and surface waters.

**Recent activities undertaken and proposed by the planning commission with special relevance for this town include:**

The Municipal Law Lecture series, which deals with planning law and provides training for newly appointed board members and local officials and updated information for those continuing in office;

A proposal to conduct research dealing with the widespread problem of milfoil buildup in Lake Winnipesaukee;

Informational meetings concerning growth in the region and the economic impact. Discussion focused on tax revenues anticipated compared with the expected cost of services, such as education, roads, solid waste disposal, and police and fire protection, required by increased population.

Background material regarding the requirements and procedures involved in preparing or updating a local master plan to provide direction for the future. The planning commission can offer specific assistance for towns wishing to develop or, in Alton's case, revise an existing comprehensive plan.

This year, Alton will elect planning board members for the first time. Some, possibly all, of the members may not have served the town in this capacity. The Lakes Region Planning Commission can be of great assistance to the board, in this time of transition, as the new members develop an understanding of the planning process as

it relates to their duties.

As Alton's most recent representatives to the Lakes Region Planning Commission, we encourage the town to rejoin the commission and urge the voters to support Alton's continued participation in this organization.

Respectfully submitted,

THOMAS E. FRY  
Commissioner

MARCIA O. KELLER  
Alternate

## STATE REPRESENTATIVE'S REPORT

JANE F. SANDERS, STATE REPRESENTATIVE

Alton—Barnstead—Gilmanton, Belknap County, District 4

At the time of last year's town meeting, I had just embarked on my second term as your state representative. Legislative projects were only just underway. The session is now history, but the work continues.

Several measures which I co-sponsored involving the safety of transportation of hazardous materials have now become law. However, a complex proposal regarding the liability for an accident relating to hazardous materials was, for the second time, shunted to interim study. But the battle is not yet lost as I have now received the support of the Attorney General's office and the Bureau of Solid Waste in drafting a new proposal.

Legislation which would have updated the septic system permitting procedure narrowly lost in the Senate. However, at the end of the session, I was appointed by the Water Supply and Pollution Control Commission to a special committee to review the problem. Our conclusions will be aired in March at a public hearing.

I was also successful in seeing legislation passed updating certain aspects of the Rooms and Meals Tax which were especially onerous to small businesses.

In sum, although the session saw fewer explosive debates than my first foray to the State House, it was much more hard-working, hopefully benefiting us all. Perhaps our crowning glory was passage of a law which requires the legislature to determine the financial impact of its actions on local communities for any new legislation.

Being your state representative, however, is more than just passing laws. Almost one year ago the Union Telephone Company requested a rate increase from the Public Utilities Commission. I entered the case as a limited party intervenor. This permitted me to request a public hearing (held in July in Alton) and to raise issues before the Commission. My position, which was supported by customer letters and calls to the Commission, was that any rate increase should be contingent on elimination of mileage charges as well as improvement to the system.

To date, both of these issues have been supported by the Commission. Although a rate increase has been approved, it is for only two-thirds of what had been requested, the mileage charges have been ordered eliminated and the Commission has equated the rate increase to an improvement in service.

This is a victory which could not have been achieved without your assistance. It is the best example that I have seen in my brief tenure in office of how public involvement can influence the decision makers.

The process of communication which was successful in this issue can continue. Most of the constituent requests which I receive deal with the unresponsiveness of government, whether it be the vast bureaucracy or the legislature itself. It must be our joint goal to change this.

Government only works well when we work together. I look forward to hearing from everyone, be it question, or comment, either by mail. P. O. Box 97, Alton Bay, 03810; or by telephone: 875-5140.

Respectfully submitted,

JANE F. SANDERS  
State Representative  
Alton, Barnstead, Gilmanton  
Belknap, District 4

**STATE REPRESENTATIVE'S REPORT**  
**GEORGE B. ROBERTS, JR., STATE REPRESENTATIVE**  
Alton, Belknap County, District 4

1980 marks my 14th year as your State Representative and my 5th year as Speaker of New Hampshire's House of Representatives. As we enter this new decade, I believe more strongly than ever, that our State Legislature has successfully moved to fill the gap in our system of government created by an increasingly unresponsive and distant federal government.

Energy, its scarcity and soaring costs demanded much of the Legislature's attention last session. In order to encourage conservation and reduce our dependence on oil, several steps were taken. Minimum energy conservation standards were established for new building construction; low-interest loans were made available to New Hampshire-based utilities to give them more money with which to improve and expand their facilities; the use of gasohol was encouraged by reducing road taxes applied to its purchase, and towns were authorized to adopt tax credits for those homes heated by central systems that burn wood.

Last session I introduced legislation which finetuned the termination dates set for State agencies under our "Sunset Act." Unless those agencies can justify their existence to a joint committee and to the Legislature in a detailed review which is repeated every six years, the agencies will be terminated. The Legislature took further steps by requiring that any bill considered by the State Legislature that would affect the income or expenses of any town must include an explanation of what the dollar and cents effect would be. This will give the decision-makers the chance to weigh the benefits of a program against the real cost to the taxpayers.

As our Legislature makes significant progress towards improving the state's level of services while struggling to contain the costs of those services; the U. S. Congress appears to be incapable of even token reductions in a staggering federal deficit that ranks second to energy costs as a principal ingredient fueling today's inflation. Because of this situation, I joined with other legislative leaders last session to sponsor legislation which endorses an amendment to the U. S. Constitution requiring Congress to balance the Federal budget. It was a grave step for the New Hampshire Legislature to take, but one that was necessitated by a Congress that seems to have lost the ability to say no to special interests clamoring for increased Federal expenditures.

On another front, I sponsored legislation increasing the bonding authority of the Housing Finance Agency which during the last two years provided over \$140,000,000 of low-interest loans to people in our state who could not afford to provide homes for themselves and their families.

In my last report to you, I mentioned that I would be meeting with Highway Department officials to urge reconstruction of Route 11 in Alton. I am pleased to report that a \$2.7 million project has been approved to completely reconstruct Route 11 through the town of Alton. Although the specific scope of this work has yet to be determined, this \$3 million project is scheduled for completion by 1984.

When the Union Telephone Company petitioned last May for a \$110,000 rate increase, I joined forces with Rep. Jane Sanders and residents of Alton to urge the Legislative Utilities Consumer Council to present Alton's case before the Public Utilities Commission, and I privately lobbied the Commissioners and Commission staff on Alton's behalf. On December 17, 1979, the PUC eliminated mileage charges, which often exceeded basic service charges, from these allowable charges to be imposed on Union Telephone customers.

As always, I encourage you to call on me when you have concerns regarding state or local matters that need attention. This report is just a brief summary of my efforts as your State Representative and of the activities of our State Legislature. I will be mailing to the selectmen two publications—one entitled "Final Disposition of Bills and Resolutions," and the other entitled "Highlights Summarized." These two references provide detailed information about legislation considered during the past session. If you need further information, or if I can assist you in any way, please feel free to contact me at my office, toll free, at 1-800-852-3392; or call me at my home at 267-8151 at any time. If you live in the Pittsfield exchange (435), can call me toll free by dialing 271-3661.

Respectfully submitted,

GEORGE B. ROBERTS, JR.  
State Representative  
Alton, Belknap County,  
District 4

## **REPORT OF DISTRICT FIRE CHIEF AND YOUR FOREST FIRE WARDEN**

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

### **1979 FOREST FIRE STATISTICS**

District Fire Chief

**HAROLD CLOUGH**  
Forest Fire Warden

## ANNUAL REPORT OF THE ALTON FIRE DEPARTMENT

The Alton Fire Department has had a good year and bad fires have been few.

The Gilman barn fire of July 28, 1979 was our biggest loss. However, the officers and men did a good job of saving the house along with the help of Mutual Aid from our neighboring towns.

The next fire of concern occurred at the Brown house on Fleming Rd., South Alton. A fireplace problem extended through the hearth to timbers and wiring below. Later that same day we were toned out at 4:25 p. m. on December 20, to respond to School St., the Robert Varney property. The fire department responded within four minutes of the alarm, an attack was made and the fire knocked down with damage confined only to the back apartment, thanks to the alertness and training of the Alton firemen. Professionalism shown at that fire resulted in a letter of commendation from the insurance investigator.

Within the station, the firemen have voted and bought uniforms from their own savings. They purchased a ladder truck and with the help of the department it was put into service for a very few dollars.

The fire alarm system is in reasonably good condition, thanks to our superintendent, Elliot Ward.

The fire hydrants have all been flowed and tested, spring and fall and proved to be very helpful at the Varney fire.

The Fire Department has been and will continue increasing training from the good start given us by our retired chief, Harold Clough.

We have put into effect a dry hydrant program to install two hydrants per year throughout the Town.

The town roads and property have been entered into the computer and we are now working on the update. (All new property owners should contact the Fire Department.)

We have worked very closely with the Alton Planning Board and find the expertise of the board along with its cooperation is paying off to the benefit of better operation of the department.

Smoke alarms have been installed in most of the fire stations at no cost to the taxpayer, thanks to the interest of the men, to protect your fire apparatus.

The responses of the Alton Fire Department for 1979 included: Mutual Aid, Service Calls, Chimney fires, Structure fires, False alarms for a total of 96 calls.

The new fire truck that the citizens voted for last March Town Meeting was ordered from Continental Fire Equipment. I have recei-

ved word that the delivery date will be in early April, 1980.

The equipment is in good repair. Morale and pride of the department is high. As your Fire Chief I wish to say THANKS to all of the officers and men in the department and to all the citizens of the town for their continuing help and support.

Respectfully submitted,

RUSSELL E. JONES  
Chief, Alton Fire Department

## ANNUAL REPORT FOR THE ALTON WATER DEPARTMENT

The Alton Water Department has had a very quiet year as far as problems. The work this year was performed along with the help of the Highway equipment and their new back hoe. The work has gone very smoothly thanks to the Highway Agent, George Thoroughgood.

We have accomplished extensive renovations to the old well at the Route 140 Station by chemically treating, cleaning and surging the well. This has increased the flow about 100%.

We raised the casing and sealed the well, which has been needed for a long time.

The pump was dismantled and any parts needed were replaced. In the future it will be necessary to change this pump for one with a larger capacity.

The Commissioners have met and feel that it is necessary for anyone connected to Town water system to have a back flow preventor on their incoming line and a vacuum breaker on their water heater. This will prevent damage in the cases where excessive water is used as in a fire. This policy will now be a requirement for future water users.

Respectfully submitted,

RUSSELL E. JONES  
C. ELLIOT WARD  
A. WILLIAM HEIDKE  
Water Commissioners

## ALTON PLANNING BOARD

This report by the Alton Planning Board is significant in that it marks an end and a beginning for Alton — the end of an appointed board and the beginning of an elected board.

Alton, like most New Hampshire towns, is growing and changing. In 1979 some forty-eight applications for Planning Board action were completed. Thirty-three applications for subdivision approval resulted in the creation of some ninety additional lots. This activity clearly indicates the potential continued growth of the Town at an accelerating pace.

The Cedar Mountain Development Corporation subdivision proposal was disapproved in October following two years of intensive work by the Board. However, as the developers are appealing the decision in Superior Court, the involvement of the Board continues.

In addition to the above, during the year the Board has:

- a. Updated the Subdivision Regulations to meet today's requirements and the changes in State law;
- b. Initiated fees to partially re-imburse the Town for the costs of handling subdivisions;
- c. Initiated steps toward a Master Plan for the community made urgent by recent court decisions and continued rapid growth of the Town's population. In three years, from 1975 to 1978, Alton's population increased by 557.

I wish to thank the Board for their cooperation and hard work since assuming the chairmanship in August and, on the Board's behalf, express our best wishes to the in-coming board.

Respectfully submitted,

J. E. E. PEVERLEY  
Chairman

## ALTON COMMUNITY CENTER REPORT

January 1, 1979 - December 31, 1979

Cash Received for Rental of Building	\$295.00
West Alton Community Center	70.00
NET TOTAL	\$365.00

## TRUSTEES REPORT GILMAN LIBRARY

The Gilman Library under went major building renovations during 1979. The renovations included the construction and installation of:

1. Insulated stud walls
2. A base for new book cases
3. Boxed in carrying beam and support posts
4. Basement level door and entry way
5. Overhead lighting and wiring
6. Kitchenette
7. Hot water heating system
8. Carpeting of floor
9. Painting of stairway and hall
10. Purchase of formal oak table and chairs
11. Purchase of two folding tables and thirty stacking chairs

Besides being a place for library functions, the new room is open to community groups for use as a meeting place. The success of the renovations are due to the efforts and suggestions of the librarian, the library trustees, the contractor and the town engineer all working together.

The completed work is in harmony with the architecture of the main library room.

The Gilman Library received its certificate in recognition of meeting the minimum standards of the Statewide Library Development Program. The library is open 20 hours a week year round. Our circulation for 1979 was 11,182 books. 438 were added to the collection. 115 of these books were donations and 8 of these are memory books. The library now houses 8,728 books.

I would like to compliment Marjorie Mohr our librarian and Mary Batchelder our assistant librarian for their excellence in serving the community and in managing our growing collection of books.

A variety of summer children's programs were held during the summer in the new meeting room, including puppet shows, films, crafts, story telling and story theater.

The library trustees gave their approval and encouragement to the formation of the Alton Friends of the Library. The formation of this group was initiated by Martha Headley. The group has elected a board of directors and formed committees to work on activities that will benefit the welfare of the library and enrich the community life of Alton.

Respectfully submitted,  
DAVID E. COUNTWAY  
Chairman of Trustees

## THE HAROLD S. GILMAN MUSEUM

1979 marked the third year the Gilman Museum was open and again the Committee feels it was a very successful one with around 400 visitors registering who were generous with their donations and loud in praise that such a small town owned such a magnificent collection of antiques.

Improvements made in 1979 (1) The broken window was finally replaced (2) a plate rail was installed at the top of the exhibition area in the center of the room. We were very pleased that Muriel Stinson paid for the improvement in memory of her father and mother, Mr. and Mrs. Lewis Procter (3) The Committee finally spent two days cleaning and sorting items in the basement room (4) This year we were happy to secure some of our younger women to serve as hostesses — Judy Fry, Sylvia Countway, Dottie Swaffield and Martha Peabody. We hope to have more of them in 1980.

On March 22, 1980 Albert Fisher has arranged for 40 teachers from Dover to visit the Museum. We are pleased with this interest and we wish more Alton residents would bring their organizations to see their Museum. We'll gladly open on any date for groups who would like to come — Garden Club, Women's Club, Lions Club, etc.

The Committee wishes to thank all hostesses who served so faithfully last year as well as deep appreciation to the Alton Garden Club for planting and caring for the urns at the entrance.

We have reduced our bond to \$16,666.65 this year so we are gaining slowly but surely. In addition to the money in the Trust Fund we have around \$9,000.00 in the Concord Savings Bank. On the advice of Dr. Ziegra, in charge of Trust Funds, we have transferred this sum to a Certificate Deposit Bond which pays much more interest.

Respectfully submitted,

MILDRED LANE, Chairman  
ANNA HAAS, Treasurer  
EVI MOONEY, Secretary  
CHARLES SHIELDS  
ELEANOR HAYES  
FRED COSTELLO, Curator  
Committee

## ALTON-ALTON BAY CHAMBER OF COMMERCE

The Alton-Alton Bay Chamber of Commerce opened the Information Booth in the Community House the summer of 1957.

During all these years the Booth has been in operation weekends from Memorial Day until June 15 and 7 days a week from that date through Labor Day.

Each season Townspeople and vacationers, numbering in the thousands, visit the Booth to request State maps and select brochures to assist them in planning day trips while spending time in the area.

The Chamber of Commerce has printed each year for distribution, 10,000 Activity Schedules.

Already requests are being received for the 1980 schedule.

If organizations etc. have not already mailed their list of events to the Alton-Alton Bay Chamber of Commerce do so at once or it will be too late.

The material is presently being prepared for the printer.

Again this year pads containing the names of members and their business connection including telephone numbers will be made available to those wishing them and particularly to people not entirely familiar with the Town.

The Chamber is working on copy for a new brochure.

Distribution, as usual, is at the various Toll Gates, Rest Areas and the numerous shows in several States a list of which is provided by the Department of Economic Development in Concord.

Also, included are requests from private organizations, Automobile Clubs and people planning to vacation in the area.

The Chamber of Commerce continues to plan activities for the summer season starting with the annual Canoe Race Memorial weekend.

It would be quite possible to include additional events if more assistance were available at the time of the activity.

Planning them constitutes only a small portion of the work involved with each event.

We appreciate the efforts of the few members of the Chamber of Commerce who each year, at the Christmas Season, decorate the Community House at Alton Bay and the two evergreen trees in the center of Town.

The Chamber provides the replacement of bulbs as it becomes necessary.

Our sincere appreciation to the Alton Police Department and the Alton Fire Department for their cooperation. To the Townspeople for their continued support, thank you.

Respectfully submitted,

GLADYS E. HOWE, Secretary

## BIRTHS RECORDED IN THE TOWN OF ALTON FOR THE YEAR ENDING DECEMBER 31, 1979

<u>DATE</u>	<u>NAME OF CHILD</u>	<u>NAME OF FATHER</u>	<u>MAIDEN NAME OF MOTHER</u>	<u>BIRTHPLACE</u>
